

# Séminaire des étudiants en mathématiques

CONFÉRENCIER: MARZIEH MEHDIZADEH

TITRE: **Integers and the number of  
their prime factors**

DATE: VENDREDI 22 NOVEMBRE 2013

HEURE: 12H30

SALLE: 5340

## RÉSUMÉ:

I will talk about the normal number of prime factors of an integer and the distribution of integers with certain number of prime factors.
